CS605:Grand Quiz

Question # 1 of 30 ( Start time: 07:50:19 AM, 28 December 2019)

Defects per function points is a \_\_\_\_\_

Select the correct option

- |                                  |                   |
|----------------------------------|-------------------|
| <input type="radio"/>            | Measure           |
| <input checked="" type="radio"/> | Metric            |
| <input type="radio"/>            | Quality attribute |
| <input type="radio"/>            | Process           |

Question # 2 of 30 ( Start time: 07:50:37 AM, 28 December 2020 )

Which statement is correct?

Select the correct option

- |                                  |   |
|----------------------------------|---|
| <input type="radio"/>            | Coupling does not depend on interdependency between components            |
| <input type="radio"/>            | The greater the dependency between the components the lesser is coupling  |
| <input type="radio"/>            | The lesser the dependency between the components the greater is coupling  |
| <input checked="" type="radio"/> | The greater the dependency between the components the greater is coupling |

Question # 3 of 30 ( Start time: 07:51:05 AM, 28 December 2020 )

.....technique was initially developed for manufacturing processes in the 1920's by Walter Shewart.

Select the correct option

- |                                  |                    |
|----------------------------------|--------------------|
| <input type="radio"/>            | Upper Control Line |
| <input checked="" type="radio"/> | Contorl chart      |
| <input type="radio"/>            | CMP                |
| <input type="radio"/>            | Quality            |

RIZ MUGHAL

Question # 4 of 30 ( Start time: 07:51:36 AM, 28 December 2020 )

Hardware / Software tools, People and Reusable software components are considered as ..... for an Organization.

Select the correct option

- |                                  |                            |
|----------------------------------|----------------------------|
| <input checked="" type="radio"/> | Resources                  |
| <input type="radio"/>            | Quality Factors            |
| <input type="radio"/>            | Risky Factors              |
| <input type="radio"/>            | Requirement Specifications |

CS605:Grand Quiz

Question # 5 of 30 ( **Start time: 07:51:55 AM, 28 December 2020** )

In \_\_\_\_\_, there is both vertical and horizontal communication.

Select the correct option

<input checked="" type="radio"/>	Controlled decentralized (CD)
<input type="radio"/>	Democratic decentralized (DD)
<input type="radio"/>	Controlled centralized (CC)
<input type="radio"/>	Synchronous paradigm (SP)

RIZ MUGHAL

Question # 6 of 30 ( Start time: 07:52:07 AM, 28 December 2020 )

Requirements are sometimes fill with defects, normally known as \_\_\_\_\_ requirements.

Select the correct option

- |                                  |                             |
|----------------------------------|-----------------------------|
| <input type="radio"/>            | Functional requirements     |
| <input type="radio"/>            | Non-functional requirements |
| <input checked="" type="radio"/> | Toxic requirement           |
| <input type="radio"/>            | System requirements         |

Question # 7 of 30 ( Start time: 07:52:22 AM, 28 December 2020 )

A process model defines a task set which comprises of SE work tasks, milestones and \_\_\_\_\_

Select the correct option

- |                                  |                          |
|----------------------------------|--------------------------|
| <input type="radio"/>            | Work Breakdown Structure |
| <input type="radio"/>            | Coding                   |
| <input checked="" type="radio"/> | Deliverables             |
| <input type="radio"/>            | Design                   |

CS605:Grand Quiz

Question # 8 of 30 ( Start time: 07:52:39 AM, 28 December 2020 )

\_\_\_\_\_ activity is performed throughout software production

Select the correct option

- |                                  |                   |
|----------------------------------|-------------------|
| <input type="radio"/>            | Maintenance       |
| <input type="radio"/>            | Development       |
| <input type="radio"/>            | Analysis          |
| <input checked="" type="radio"/> | Quality Assurance |

Question # 9 of 30 ( Start time: 07:52:54 AM, 28 December 2020 )

The major activities related to software construction are :

Select the correct option

- |                                  |   |
|----------------------------------|---|
| <input checked="" type="radio"/> | requirement gathering, design development, coding and testing |
| <input type="radio"/>            | installation and training                                     |
| <input type="radio"/>            | quality assurance, configuration and planning                 |
| <input type="radio"/>            | implementation and management                                 |

RIZ MUGHAL

Question # 10 of 30 ( Start time: 07:53:06 AM, 28 December 2020 )

Estimation of the ..... is a prerequisite for all sorts of estimates, including, resources, time, and budget.

Select the correct option

- Software Plan
- Software Scope
- Software Product
- Software Size

CS605:Grand Quiz

Question # 12 of 30 ( Start time: 07:53:40 AM, 28 December 2020

Capability Maturity Model (CMM) has \_\_\_\_\_ levels.

Select the correct option

<input type="radio"/>	4
<input checked="" type="radio"/>	5
<input type="radio"/>	3
<input type="radio"/>	2

RIZ MUGHAL

Question # 13 of 30 ( Start time: 07:53:54 AM, 28 December 2020 )

\_\_\_\_\_ is the ability to encourage people to create and feel creative.

Select the correct option

- Organization
- Motivation
- Innovation
- Managerial Identity

RIZ MUGHAL

CS605:Grand Quiz

Question # 14 of 30 ( Start time: 07:54:09 AM, 28 December 2020 )

\_\_\_\_\_ model is a haphazard type of software development activity.

Select the correct option

- |                                  |               |
|----------------------------------|---------------|
| <input type="radio"/>            | Water fall    |
| <input type="radio"/>            | Incremental   |
| <input type="radio"/>            | Prototyping   |
| <input checked="" type="radio"/> | Build and Fix |

## Question # 15 of 30 ( Start time: 07:54:25 AM, 28 December 2020 )

A -----entity is the one which have any ----- in the problem domain without some other entity.

Select the correct option

<input checked="" type="radio"/>	Strong, Role
<input type="radio"/>	All of the given
<input type="radio"/>	Weak, Function
<input type="radio"/>	None of the Given

RIZ MUGHAL

## Question # 16 of 30 ( Start time: 07:54:41 AM, 28 December 2020 )

The conceptual interface between the 'internal' application and the 'external' user world is known as-----

Select the correct option

- |                                  |                      |
|----------------------------------|----------------------|
| <input type="radio"/>            | Count Data Functions |
| <input checked="" type="radio"/> | Application Boundary |
| <input type="radio"/>            | Development count    |
| <input type="radio"/>            | Control Information  |

RIZ MUGHAL

Question # 17 of 30 ( Start time: 07:54:55 AM, 28 December 2020 )

Total Marks: 1

Every project has a defined number of staff members. As time allocation occurs, the project manager must ensure that no more than the allocated number of ----- have been scheduled at any given time.

Select the correct option

- |                                  |            |    |
|----------------------------------|------------|----|
| <input type="radio"/>            | Task       | // |
| <input checked="" type="radio"/> | People     | // |
| <input type="radio"/>            | Days       | // |
| <input type="radio"/>            | Components | // |

| <input type="radio"/>            | Software Developer     |

CS605:Grand Quiz

Question # 21 of 30 ( Start time: 07:55:55 AM, 28 December 2020 )

\_\_\_\_\_ is an Object Oriented model.

Select the correct option

- |                                  |             |
|----------------------------------|-------------|
| <input type="radio"/>            | Spiral      |
| <input type="radio"/>            | Waterfall   |
| <input type="radio"/>            | Incremental |
| <input checked="" type="radio"/> | Fountain    |

Question # 22 of 30 ( Start time: 07:56:13 AM, 28 December 2020 )

..... files are the logical files that the customer understands and must be maintained by the system.

Select the correct option

- |                                  |          |
|----------------------------------|----------|
| <input type="radio"/>            | Raw      |
| <input type="radio"/>            | External |
| <input type="radio"/>            | Logical  |
| <input checked="" type="radio"/> | Internal |

RIZ MUGHAL

Question # 23 of 30 ( Start time: 07:56:28 AM, 28 December 2020 )

Total Marks: 1

In measuring Software Process Quality by using control charts, if the gap between the defects reported and defects fixed is increasing, then it means

Select the correct option

- |                                  |                                       |    |
|----------------------------------|---------------------------------------|----|
| <input checked="" type="radio"/> | The product is in unstable condition. | // |
| <input type="radio"/>            | The product is ready for shipment     | // |
| <input type="radio"/>            | The product is in stable condition.   | // |
| <input type="radio"/>            | None of the above                     | // |

RIZ MUGHAL

Question # 24 of 30 ( Start time: 07:56:43 AM, 28 December 2020 )

\_\_\_\_\_ is fundamental for providing mechanisms for objective evaluation of any process or activity.

Select the correct option

- |                                  |             |
|----------------------------------|-------------|
| <input type="radio"/>            | Metrics     |
| <input checked="" type="radio"/> | Measurement |
| <input type="radio"/>            | Indicators  |
| <input type="radio"/>            | Pointers    |

RIZ MUGHAL

Question # 25 of 30 ( Start time: 07:56:59 AM, 28 December 2020 )

\_\_\_\_\_ lifecycle models appreciate the need for iteration within and between phases.

Select the correct option

- Object-Oriented
- Spiral Model
- Extreme Programming
- Rapid Application Development

RIZ MUGHAL

Question # 26 of 30 ( Start time: 07:57:13 AM, 28 December 2020 )

Total M

\_\_\_\_\_ of a product can be measured if we can measure its non functional properties i.e. maintainability, integrity and usability etc.

Select the correct option

<input checked="" type="radio"/>	Quality
<input type="radio"/>	Quantity
<input type="radio"/>	Price
<input type="radio"/>	Size

RIZ MUGHAL

Question # 27 of 30 ( Start time: 07:57:27 AM, 28 December 2020 )

\_\_\_\_\_ dimension of Spiral model represents the cumulative cost to date

Select the correct option

- |                                  |            |
|----------------------------------|------------|
| <input checked="" type="radio"/> | Radial     |
| <input type="radio"/>            | Angular    |
| <input type="radio"/>            | Horizontal |
| <input type="radio"/>            | Circular   |

CS605:Grand Quiz

Question # 28 of 30 ( Start time: 07:57:40 AM, 28 December 2020 )

MOI model of leadership stands for

Select the correct option

- |                                  |  |
|----------------------------------|--|
| <input type="radio"/>            | Motivation , Operationalize , Integration  |
| <input type="radio"/>            | Misunderstanding , Object, Ideas           |
| <input checked="" type="radio"/> | Motivation , Organization , Innovation     |
| <input type="radio"/>            | Miscommunication , Organization, Invention |

Question # 29 of 30 ( Start time: 07:57:55 AM, 28 December 2020 )

The important feature of extreme programming is the concept of \_\_\_\_\_.

Select the correct option

- |                                  |                         |
|----------------------------------|-------------------------|
| <input type="radio"/>            | Feedback                |
| <input type="radio"/>            | Risk assessment         |
